

Pacific Northwest Christian College Retention Rates¹

Program	2025-2026	2024-2025	2023-2024	3 Yr. Average
Associate	41%	41%	43%	42%

¹Retention rates for associate programs are based on first-time, full-time, degree-seeking students and measure the percentage who re-enroll or complete their program by the following fall.

Pacific Northwest Christian College Completion Rates¹

Program	2022 Cohort ³ (n=86)	2021 Cohort (n=10)	2020 Cohort ² (n=11)	3 Yr. Weighted Average
Associate	31%	50%	18%	31%

¹The completion rates for associate degrees are measured at 150% of the expected completion time (the associate degree rate is three years from the first enrollment).

²The 2020 entering cohort began during the COVID-19 pandemic.

³The 2022 cohort was the first entering cohort following PNWCC's addition of intercollegiate athletics, which substantially increased the size of the entering class.

Pacific Northwest Christian College Transfer-Out Rates¹

Program	2022 Cohort (n=86)	2021 Cohort (n=10)	2020 Cohort ² (n=11)	3 Yr. Weighted Average
Associate	12%	0%	18%	12%

¹Transfer-out rates represent students in the entering cohort who transferred to another institution without first completing their associate degree at PNWCC within 150% of normal completion time.

²The 2020 entering cohort began during the COVID-19 pandemic.

Pacific Northwest Christian College Student Success Outcomes¹

Program	2022 Cohort (n=86)	2021 Cohort (n=10)	2020 Cohort ² (n=11)	3 Yr. Weighted Average
Associate	43%	50%	36%	43%

¹Student Success Outcomes represent the combined percentage of students who either completed their associate degree at PNWCC within 150% of normal completion time or transferred to another institution without first completing their PNWCC degree. This measure is provided as a supplemental institutional measure and should not be interpreted as the federal completion rate.

²The 2020 entering cohort began during the COVID-19 pandemic.
